There is no greater price one can pay than to give their life in the line of duty. Often, little can be done to lessen the pain and fill the tremendous loss to the families and to the community.

The West Park Cleveland Police and Fire Fighters Memorial Walkway was built to honor those brave safety officers who made the ultimate sacrifice. Located on Rocky River Drive, it begins at Edgecliff Avenue and runs north for one third of a mile along the Metroparks Canyon. It not only recognizes the tremendous sacrifice the fallen officers made, but offers their families and the community a gathering place to honor their memory.

Every year, the Cleveland Heroes Run, a 5-mile and 2-mile Community Race, is held to raise funds for maintaining the memorial and walkway and to create education scholarships for the relatives of fallen officers. *The 22<sup>nd</sup> annual Cleveland Heroes Run will take place on Sunday, September 15, 2024.*

We are writing to ask for your participation as a Goods Donor Sponsor of the Cleveland Heroes Run to help make this annual event a success. We are in need of items for the raffle such as gift certificates and donations of food and refreshments for racers after the event. We are also in need of smaller items for the race bags such as pens, key chains or whatever product you may have. We will have up to 1000 race bags. This offers great advertising for your company.

This event has become an annual living tribute to these fallen Police Officers and Fire Fighters. The event will attract significant attention from the local media in addition to the race and safety forces community. The event draws more than 1100 participants annually.

We ask that you remember the services the Cleveland Police and Fire Fighters provide to you and that you give generously in honor of these fallen heroes.

Thank you in advance for your support.
